**ABOUT  
BGCSF:**

Part of the community since 1891, Boys & Girls Clubs of San Francisco (BGCSF) serves more than 13,000 youth annually at nine Clubhouses, along with a residential summer camp, Camp Mendocino, and a high-end summer-school program, Project Discover. The Clubhouses operate as drop-in centers for local youth, ages 6 to 18 years. Known as “*The Positive Place For Kids*,” Clubs provide guidance-oriented programs on a daily basis conducted by full-time professional staff. Key programs emphasize character and leadership development, educational and career development, health and life skills, the arts, as well as sports, fitness and recreation.

Boys & Girls Clubs of America are the national charitable partner of Major League Baseball.
